UN Databases

- **UNISPAL - UN Information System on the Question of Palestine**

<http://unispal.un.org/unispal.nsf>

The United Nations Information System on the Question of Palestine (UNISPAL) was established and is being developed by the Division for Palestinian Rights in response to successive General Assembly mandates. The main collection contains the texts of current and historical United Nations material concerning the question of Palestine and other issues related to the Middle East situation and the search for peace. UNISPAL contains largely the English texts of United Nations documents with a growing number of links to the texts of the other official UN languages.
